ANNUAL REPORT OF THE PORFOLIO COMMITTEE ON ARTS AND CULTURE

JANUARY – DECEMBER 2005

1. Name of the Committee: ARTS AND CULTURE

Chairperson: Mr. SL Tsenoli
Ms L Jacobus

Committee Secretary: Ms TR Cawe

2. Chairperson's overview:

3. Vision and mission of the committee

The vision of the Committee

To perform our monitoring and oversight role vigorously

The mission of the Committee

- i. To constantly perform a monitoring and oversight role by engaging the department and various stakeholders in their progress and development.
- ii. To establish a good working relationship between the Ministry, Departments and Stakeholders of Arts and Culture.
- iii. To promote our rich African, diverse arts, culture and heritage.
- iv. To support arts and cultural development in various ways.
- v. To campaign and promote national dialogue social and moral regeneration

4. List of public entities over which the committee exercise oversight

- i) **South African Heritage Resource Agency (SAHRA)** – It is established the South African Heritage Resource Agency, which together with its Council coordinates and promotes the management of Heritage resources at national level.
- ii) **Arts Institutions** – They assist in creating a sustainable performing arts industry based on access, excellence, diversity and redress. They encourage the development of the full range of performing arts.
- iii) **Business Arts South Africa (BASA)** – it aims at encouraging sponsorship of the arts by the business sector through the introduction of a matching grant scheme.
- iv) **National Film and Video Foundation (NFVF)** – it provides and encourages the provision of opportunities for persons from disadvantaged communities to participate in the industry. The Foundation also promotes local film and video products, supports the development of and access to the industry, and

addresses historical imbalances in infrastructure, skills and resources in the industry.

- v) **National Arts Council** – The Council also promotes general application of the arts in the community, fosters the expression of a national identity by means of the arts, promotes freedom in the practice of the arts, and gives historically disadvantaged people greater access to the arts.
- vi) **National Archives Commission** – The Commission assists the National Archivist in carrying out functions of the National Archives, promotes the coordination of archival policy at national and provincial levels, approves the appraisal policy of the National Archives and monitors its implementation.
- vii) **Pan South African Language Board (PANSALB)** – The Board actively promotes an awareness of multilingualism as national resources, and supports the previously marginalized languages by developing, administering, and monitoring access, information and implementation.
- viii) **Africa Institute of South Africa** – It carries out in-depth analysis of Africa's current affairs and addresses issues of the future of the continent, the African Renaissance and change in general.
- ix) **National Laser Centre (NLC)** – The NLC was created from laser competencies at both the CSIR and the extension Nuclear Energy Corporation of South Africa. Its goal is to promote South African competitiveness in the area of lasers, particularly with regard to application in the manufacturing, communication, health, safety and security, industries.
- x) **Innovative Fund** – Trust It is one of the Science and Technology White Paper (1996) initiatives and was designed to encourage collaborative research and technology development programmes.
- xi) **Libraries** – They preserve and promote awareness of the national documentary heritage, and provide for matters connected therewith.
