Please the generation now is lost already
let us stand a nearly fresh ground
and with a good solid foundation.

God created heaven and earth and everything
in it including human being for a purpose
being "re-ate". My concern is to attain as
in the beginning God created male and a
female. The same God also created a marriage
for a to be 1 weaning male and a female
to be joined together as one to produce
Godly children.

I would like to thank you for this opportu-
nity to be heard as one of community repre-
sentative.

Be greeted in the Wonderful
Name of Our Lord Jesus Christ of Nazareth

Gay and lesbian should not be married 'cause
is against the law. Male and female is the
one who should marry each other.

I don't like the idea of man and man becoming one flesh, because God didn't create a marriage of man and man but of a man and a woman. I oppose to gay marriages.
