Arico Kotze - Same sex marriages

Subject: Same sex marriages

For what it is worth,

I am not in favour of this decision.

We determine the atmosphere in this country.

By allowing immorality we give legal permission for the devourer the "Devil" to come in and sow havoc.

We do not have to follow the west to be reckoned. We can only follow our hearts.

Children follow by example. What example do we set if we promote promiscuity.

I can see the point of those for the bill being past. They feel it protect their rights. This is true in a legal sense BUT a true Marriage is not the legal binding, but a covenant. That is why it takes place in the presence of the congregation.

Maybe they should redefine what is being achieved by the bill. Not so much same sex marriages. But rather same sex contracts. Which will give each party certain rights.

These people should however not be allowed to adopt children. I know it sounds bios, but what good is a community like Sodom in the bible where every body only lives for his or her sensual pleasure. It will lead to a broken community with no moral value and no respect for one another.

Regardless of our logic arguments, God's word forbid it. It is against nature. Whether we fully understand why, we will suffer the consequences if we neglect to obey. With the issue of same sex goes all sexual relationships that brakes down us as human beings created in the image of a holy and righteous God.

Come on. Lets find a way around polluting us all. Lets not call it same sex marriages. But rather some other sort of mutual agreement. And let us defend a standard for good moral living.

I thank you,

Erhaldo Human

Arico Kotze - please do not pass the gay marriage law

From: "ludovic bechard"

Subject: please do not pass the gay marriage law

To whom it may concern

I would like to express my deep concern towards same sex marriage and my position against passing such a law that which will allow same sex individuals to marry and be recognised by the state as a lawful couple.

I have many points that I can develop on this matter, but I chose to bring one to the attention of the state. Any good leader or leading party should be concerned with the challenge of raising up a leader or leaders who would follow in their footsteps, replace them and carry on in leading the country to prosperity and towards being a bread basket and an example to our crippled Africa. To succeed in that noble cause, such men and women that are being right now equipped wherever they may be need to have well defined ethics and a healthy moral fibre.

We are all well aware that our leaders of tomorrow are our children of today. These children need to know from their parents, from their teachers and from their role models that there are things that are right and things that are wrong.

If you pass this law, you will deny our children the discernment oh so necessary to live in a world that has lost its way. The children of South Africa need to grow up in an environment where a woman is defined as a woman and where a man is a man, where they are not confused about such matters and are able to learn from their parents and understand the blessings of being obedient and respectful to parenthood and leadership; such things will carry them to the place where they will find what they were called to do, and discover their talents to accomplish that which they were called to by God.

Life was made to be simple, it is not easy, but it is certainly not complicated. A dog is a dog and not a mouse, or a whale. Let it be so in our society. Let the one who can carry life in her bosom be called a mother. These are things that we can not change. These are certainly things that we ought not to change lest we reap the consequences and HIV AIDS is looking in on us.

Let me remind you that Sodom and Gomorrah disappeared from the map of the world because of their sexual immorality. Furthermore many Christian scholars agree on the fact that the Roman, and before them the Greek empire collapsed as a result of their corrupt morals, when men were no more pleased with women and turned to homosexuality as a substitute.

Should we stick to common sense? Should we respect the Godly order of things? I will! And so will my children. Will you help them to pass it on to their children?

Regards

Sir

Definition of marriage refers only to a union between a man and a woman with the purpose of reproduction.

God explicitly states in the Bible that any type of homosexuality is despicable and the Nations that practices this will be severely punished.

I personally think that there should be some National vote for something as serious as this because as I understand there are less than 10 percent of the population wanting this to be voted in.

I find it strange that most of the majority of people are totally against this practice myself included, and if we followed Gods perfect law we would have a much better future.

Sir,

Marriage is meant for the union of a man and a woman. God created marriage and was never the intention to be a union of two men or two woman I f one takes into consideration that only approximately 10% of all South Africans are punting same sex marriages, it is difficult to imagine why this mis-practice needs to be forced down all of our throats. Please lets not merely create something just because we think it is OK but actually know its not right.

Arico Kotze - Opposing the Government

Subject: Opposing the Government

Dear Sir,

When government decides to call the union between same sex partners:"MARRIAGE" then we are getting ready for a plague worse than HIV AIDS.

Initially the worst ones to suffer because of anal sex were the Gay Community, but now innocent children and innocent people who were given wrong blood during transfusions received the disease.

What is the future of any nation that decide to oppose the Word of God.?.... please do your own research. It is Mayhem, Cancer, Famine, Drought and Poverty.

Why do we want to oppose God and call for CURSE. Isn't it obvious that South Africans, as a nation are opposed to Same Sex M.

I find myself unable to write the word Marriage next to the perversion which our Government is allowing. Should we not have held a Referendum, or even a National census?

The Jews said :¹"Let His blood be on us and on our Children" and when Hitler slaughtered them in their millions it was what they had called for.

You are calling for the Wrath of God and are you prepared to take ownership for the result of this decision. Have you investigated the #Gay Lifestyle it is fraught with Drug Addiction, Suicide, Sickness and Emotional Bankruptcy.

So how do you expect our Family Fibre to look like 30 years from now?

Only a fool can ignore the writing on the wall. Dan 5: 5 - 30. By the way this did not happen in Israel but in Iran.

As a Marriage Officer and a devoted Christian I refuse to Marry homosexuals or lesbians. Same Sex unions can be a legal transaction drawn up by an attorney.

Whatever you do don't call it MARRIAGE. .

Yours Faithfully,

Arico Kotze - Protest against Civil Union Bill

Mr Arico Kotze (Committee Secretary)
Parliament of RSA

Dear Mr. Kotze.

I wish to protest, in the strongest possible way, against the Civil Union Bill, which has been railroaded through Parliament, without implementing the will of the people. Marriage between a man and a woman was instituted by the Lord God Almighty - marriage between same sex adults is an abomination to Him.

I quote from article 7 of the UN Convention on the Rights of the Child: "Children represent the future of society. They must not suffer from conditions imposed upon them by adults....The best interests of the child must prevail over adult freedoms...even including the lifestyle choices of parents." God ordained the family unit of Mother, Father and children - any attempt to promote homosexuality as a sound base for raising a family will have dire consequences.

Let our earthly government bend their knees and bow their hearts, repent of this appalling attempt to undermine the sanctity of God-given marriage. God will NOT be mocked.

Yours faithfully in Christ
Mrs. C. Melville

From: "Yvonne Smit"

Subject: RE: How the Civil Union Bill Would affect my community

Dear Sir

May I respectfully submit that I, together with the vast majority of South African citizens, are opposed to and in fact disgusted that our beautiful South Africa would even be considering such an ungodly law as the Civil Union Bill.

Homosexuals are to be pitied and helped, not to be encouraged to continue in a lifestyle which God clearly detests. (Lev.18:22; Lev.20:13; 1Cor.6:9; Rom.1:24-31) God judged Sodom and Gomorrah for this sin and destroyed them completely.

As a Pastor and Administrator of a Christian School, my experience is that children need both a natural father and a natural mother in order to grow up into balanced and mature citizens. Children given into the care of the unnatural union of two men or two women would be at a huge disadvantage.

I strongly appeal to the government to hold a referendum on this subject. I believe the vast majority of South Africans would be opposed to this bill and to legalising homosexuality in any form. I believe our Constitution should be amended regarding this practice.

If the majority of Citizens are against homosexual "marriage", I submit that the Government have no right to pass this law. They are elected to represent our people, not ignore or intimidate them by pushing through offensive laws.

Our Church pray regularly for our Government leaders. We believe it is our God given responsibility to do so. May God give the decision making leaders of this wonderful country wisdom to do the right thing. Ultimately, we will all be held accountable to Him.

Yours faithfully

Arico Kotze - Disagree

Subject: Disagree

Dear Sir/ Madam

My wife and I strongly stand against legislation legalizing gay marriages. The future of South Africa is in God's hands and if the minority enforces this route they will be assisting in destroying a wonderful nation by standing against God and what is right. We need to protect our children and provide them with the opportunities we had or didn't have.

I pray God will give you supernatural wisdom to rule fairly and with the righteous hand that your position in leadership calls for. Our future is in God's hands but he has given you the authority to rule, so please rule wisely.

You will be in our prayers.

Kindest regards

Subject: Civil Union Bill

Marriage is not a contract based on emotions!!!!!!! It is a covenant commitment made in the sight of God for one male and one female. It is based on love and expressed in a life-long commitment to each other. As this is often broken the judgment is for God to administer, not the government to change God's ruling. Call it something else if you wish to oppose God. Distorting a Godly sacrament will bring judgment on South Africa.

Arico Kotze - Civil Union Bill

From: "Eric Loynes"

Subject: Civil Union Bill

Dear Mr Arico Kotze,

It was with great sorrow that I heard that the ANC government forced the Civil Union Bill through the National Assembly to legalize same-sex marriages. The ANC government claims to be a government for the people yet they repeatedly totally disregard the opinions and feelings of the majority of South African citizens. The ANC has shown that they are without conscience and are undemocratic.

Marriage between a man and a woman was instituted long before the ANC ever existed and they have no right to reinvent or redefine the very foundation of marriage - to procreate! If everyone became homosexuals then humankind would cease to exist without artificial/unnatural means to conceive.

I therefore humbly request that the NCOP reconsider this new Civil Union Bill and declare it unworkable since it is against the wishes of the majority of SA citizens.

Kind regards,
Eric A Loynes
