Negotiating mandate of the Western Cape Provincial Parliament on the *Education Laws Amendment Bill [B33B - 2007]* (NCOP), as resolved by the House on 6 November 2007.

The Western Cape Provincial Parliament, having considered the subject of the *Education Laws Amendment Bill [B33B - 2007]* (NCOP) referred to the Provincial Parliament in terms of the rules of the National Council of Provinces (NCOP), begs to report that it confers on the Western Cape's delegation in the NCOP the authority to support the Bill with the following concerns:

- Principals not being able to give evidence against the state.
- The need for the National Education Training Council (NETC) to exist and be a mandatory consultative forum.
- That a list of under-performing schools should not be placed in the Annual Report.
