TO: Office of the Speaker
National Assembly

ATT: The Honourable Speaker

Ref: **Petition yard connector all services at Block F4 and F2 Extension in New Eersterus**

Sir/Madam

We the residents of Block F4 and F2 extension desperately need water and other services.

Since 1997 our community has not yet received water and other services. We have pleaded with the Councilor and Tshwane Municipality who are eager to bring JoJo tanks as a temporary measure, however the residents burnt a number of Jojo trunks during demonstrations because Jojo tanks provided dirty water with worms, which greatly irritated them.

We petition the National Assembly to respond to us in writing within a period of 7 days of receipt of this petition, because the residents do not have water at the moment, even if they have patiently lived with empty promises for the past ten years.

Hope our petition will be attended to speedily.

Yours faithfully

Hilda Monkwe

Dear Colleague

REFERAL OF PETITION ON WATER SERVICE DELIVERY BY MUNICIPALITY

A petition from the residents of Block 2 and Block 4 Extension in New Eersterus, Hammanskraal, was received on 2 August 2007 by my office.

The petition may or may not relate directly to the business the Portfolio Committee has before it at present, but may be of interest to the committee in fulfilment of its oversight function. I am also referring this petition as a practical means of giving effect to Parliament's vision of being responsive to the needs of the people.

It is up to the Committee to assess the contents of the petition and to determine whether and how it will respond to it. Needless to say, the issues raised in the petition need urgent attention.

Yours sincerely

Baleka Mbete, MP
Speaker of the National Assembly
